

FAQs

Does your company have insurance? Where can I view your contractor's license?

Yes, we carry full insurance. [Click here](#) to view our Insurance Broker's website.

Our Westchester county license can be found [here](#)

Our Putnam county license is [here](#)

Do I need to be home for any measurements to be taken?

Yes, measurements are critical for all work and it's important for our staff to have access. We'll try to accomodate work schedules and weekends for this purpose.

Do I have to do anything to get ready for my installation?

Sometimes, our staff will inform you of any needed help on your part.

Will my home suffer any damage?

Removing windows from a home is an extensive project. Rest assured, our trained installers use great care in the process to avoid any damage. If cracking or chipping of wallboard does occur, Franzoso Contracting will repair the damaged areas and leave it ready for paint.

When will I receive my warranty?

Your warranty will be mailed after the completion of your installation services and receipt of Certificate of Capital Improvement and your payment.

What will I need to do after installation?

Your job will be left finished, clean and ready to paint if needed. Franzoso Contracting does not do any painting or staining
